## **Congratulations on your selection for the German Design Awards 2021!**

Dear Mr. Hashimoto,

We are delighted to inform you that you are among the winners of the German Design Awards 2021. We warmly congratulate you on this prestigious award, also on behalf of our jury!

We are awarding the following prize for outstanding design quality:

»Special Mention« for Ana intercontinental beppu resort & Spa, Japan (GDA2021-31680) in the category Excellent Architecture - Retail Architecture

The German Design Award is one of the most renowned design awards worldwide and enjoys an excellent reputation far beyond circles of experts. Those who beat out the high-calibre competitors have successfully proven that they are among the best.

From now on you can start with your communication measures. The winning label including text modules will be available in your personal account under »[My Design Council](#)« from mid-September. In November 2020 we will publish the online gallery.

Your personal award will be presented to you in a fitting setting at the award ceremony in February 2021.

We are very much looking forward to this great day.

Best regards

Lutz Dietzold  
Chief Executive Officer
